

Calling all aspiring OLOL Class Reps - 2020!

Our Lady of Lourdes
Catholic Primary School

- Do you have some time to give the OLOL Community?
- Are you ready to use your communication skills to support your school?
- Have you been wondering how to get more involved?

We'd love to hear from you!

What's involved?

Communication, Communication, Communication!

- Stay in touch with your class teacher and liaise as required with the parents and carers in your class, e.g.:
 - *class specific* messages
 - reminders of upcoming *school events/activities*
- Coordinate casual catch ups for the parents/carers/children in your class
- Work with the P&F to help coordinate your class when rostered to host one Mass Morning Tea

If you have access to the internet, you're right for the job. Class email lists and access to WhatsApp Groups will be provided.
